Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 0400 on Monday 27 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Rain clearing this morning. Sunshine and showers this afternoon.

Today:
Cloud and rain, heavy in the northeast, clearing away by lunchtime. This afternoon will see some sunny intervals and scattered showers, briefly heavy in the west. Feeling much colder than of late. Maximum temperature 14 deg C (57 deg F).

Tonight:
Scattered showers becoming mostly confined to the west this evening, then mainly dry with clear periods. Strengthening southwesterly winds bring a few showers inland later. Minimum temperature 6 deg C (43 deg F).

Tuesday:
Some bright or sunny intervals and scattered showers, these heaviest and most frequent in the west. Best of the drier and brighter weather in the east. Maximum temperature 15 deg C (59 deg F).

Outlook for Wednesday to Friday:
Mainly dry on Wednesday. Unsettled later in the week with showers or longer spells of rain.
